

**Evelina  
London  
Children's  
Charity**

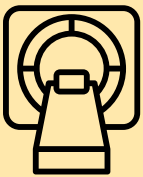

**Every year, Evelina London  
cares for over 104,000 children  
and young people.**

Here's how your donation could help...

**£15**

could help fund more  
gaming carts to entertain  
young people at the hospital

**£30**

could contribute to the MRI  
simulator that prepares children  
for experiencing MRI scans

**£50**

could help buy VR headsets,  
which can distract children from  
sometimes scary procedures

**Together, we can do amazing things.**
